

## **Energy Efficiency Insulation Installers**

**RISE Engineering, a division of Thielsch Engineering, Inc., is one of the longest operating energy services companies in the country. Working on behalf of the largest utilities and energy program sponsors in the Northeast, our mission is to provide one-stop services to make buildings more affordable, comfortable, healthful and efficient. We are experiencing significant growth as higher levels of incentives and resources are being made available to meet local, national, and global needs.**

**We are looking for qualified candidates to provide energy efficiency services in residential properties. We have openings in the following area:**

### **Cape Cod Area**

#### **Duties & Responsibilities**

**An Energy Efficiency Installer is responsible for providing home weatherization improvements that include:**

**Performing combustion testing on all homes prior to providing installation services (RISE will train qualified individual);**

**Completing job duties assigned by the Crew Chief efficiently/effectively;**

**Installing blown-in cellulose insulations, fiberglass insulation, home sealing etc.;**

#### **Qualifications**

**Must have prior experience installing insulation. Must be able and willing to maneuver through crawl spaces and basements, sometimes in uncomfortable temperatures. Climbing ladders and roofs is an essential part of the position. Able to lift and carry up to 60 pounds. Valid driver's license and proof of insurance is required. Knowledge and interest in green building is a plus.**

**We look for candidates with effective written, verbal communication and mathematical skills. Ability to perform duties in a professional and respectful manner.**

#### **Compensation and Benefits:**

**We offer very competitive compensation and a comprehensive benefits package.**
